

**MINUTES, LIMESTONE COUNTY COMMISSION, NOVEMBER 17, 2025,
WORK SESSION MEETING**

The Limestone County Commission reconvened the meeting from November 3, 2025, at 9:00 a.m. today at the Clinton Street Courthouse Annex, 100 South Clinton Street, Athens, Alabama.

Present: Johnny Turner, Derrick Gatlin, and LaDon Townsend. Absent: Daryl Sammet. Collin Daly, Chairman, presided.

Charles Terrell addressed the Commission regarding the results of asbestos survey on the flooring at the Veterans Affairs office on Market St. He stated that there is no threat to citizens.

Evan Campbell with Purple Wave Auction inquired the Commission regarding their online equipment auction and process.

Chairman Daly thanked citizens for their comments and for attending today’s meeting.

Chairman reminded citizens that public comments can be mailed or e-mailed to the commission.

Items were discussed for today’s meeting.

During the “Engineer’s Report,” Engineer Marc Massey stated paving has begun on Henry Rd. and once completed engineering will be moving to Dement Rd.

It was noted under “Other Business,” to remove number 2 (two) “Approve a tax abatement for North Alabama Laserfab, Inc., pending all requirements are in order” from the commission meeting agenda. Chairman Daly stated that the repairs to the Veteran Affairs office on Market St. will take time due to other businesses inside the building. Chairman also thanked the maintenance staff for decorating downtown for Christmas. Chairman Daly, Commissioner Turner, Commissioner Townsend, and Engineer Marc Massey discussed ideas and ways to invest money for each district, so they are able to pave more roads throughout the year.

Recessed at 9:30.

Collin Daly, Chairman

Daryl Sammet, D-I Commissioner

Derrick Gatlin, D-III Commissioner

Johnny Turner, D-II Commissioner

LaDon Townsend, D-IV Commissioner
